Edited by Laura Bruns and Mike Litchfield

Peer Review

- Manuscript reviews
 - NASA Headquarters History Office
 - Smithsonian Press
 - Oral History Review
- Article reviews
 - The Public Historian*
 - Quest*

Conferences and Presentations

- JSC Employee Orientation program
- APPEL
- Engineering Academy
- National, state, and local history conferences
- NASA History Conferences
- Smithsonian History Conferences
- College and school presentations
- National Trust for Historic Preservation

Oral History

- JSC Oral History Project
- International Space Station Oral History Project
- Orion Oral History Project
- Columbia Recovery Oral History Project
- NACA Oral History Project
- NASA Headquarters Oral History
- Knowledge Management
- STS Recordation Oral History Project

Audio and Documentation Preservation

- Tape “rescues”
- Digital conversion of media
- Document scanning

JSC History Portal

- www.jsc.nasa.gov/history
 - Created in 2000
 - Updated at least quarterly
 - Approximately 1000 oral histories
 - Space News Roundups
 - News Releases
 - Mission Press Kits
 - Air-to-Ground Transcripts
 - Fully searchable

Other Activities

- TV/documentary interviews
- NASA History Meetings
- Outreach/Volunteer/Committee work
- Archival appraisal
- Education
- Historic Preservation

Mission Operations Control Room

Questions
